The Connecticut Summer Youth Employment Program is funded by federal and state dollars that connects **youth ages 14-24** to professional networks, valuable youth experiences and a chance to earn a paycheck. The program runs for 6 weeks, typically beginning after July 4th and the participant earns minimum wage for part time work.

Filling out the application below to be considered for a worksite gives us a chance to learn more about your business and the opportunity to connect Youth with similar interests. Should you have any questions, contact Albert Chabot by e-mail: albert.chabot@nrwib.org
