A customer may select any WIOA approved education and training program in the state, as listed on the current ETPL, if the customer meets all other criteria relating initial and subsequent eligibility for such educational and/or training services.

Individuals seeking WIOA funded assistance have the freedom of “customer choice” in selecting the educational and training program that best fits their personal and career needs.

WIOA Approved Training Program List:

Training funded by the Northwest Regional Workforce Investment Board must be an approved program listed on the WIOA Eligible Training Provider list. To access the approved training program list: Go to www.cthires.com Scroll down to the bottom right under *Resources and Services* and click on *“Training Providers and Schools”*. Under **Education Services**, click on **“Eligible Training Provider List”**.
