

Carpenter Training

**Would You Like to Explore
a Career in Carpentry, Work
Toward Industry Credentials and
Be Paid for Your Participation –
All At The Same Time?**

**Career Pathways, in partnership with
MASC and the Northwest Regional
Workforce Investment Board invite you
to apply to a new and exciting 12-week
after-school program starting March 1st.**

What Will You Be Learning?

The Carpentry Program will provide you carpentry training in partnership with the United Brotherhood of Carpenters and Joiners of America, Local 326.

You will have the opportunity for summer employment and driver license training. The Carpentry Program will prepare you for apprenticeship opportunities that pave the way for you to have a successful and rewarding career!

We will provide extra help if you need in math and reading concepts that are important to becoming a carpenter.

What Will Your Classes Look Like?

You will attend hands-on classes with no more than 10 students in your class.

Transportation will be provided. Exciting field trips like touring the Carpenters Union Training Center will be offered.

After You Complete the Program

You will receive the training and credentials you need to move forward directly into apprenticeship and employment through the Carpenters Union. You will have the choice too of moving right into summer employment through the Northwest Regional Workforce Investment Board.

WHEN?

Tuesday, Wednesday, and Thursday from
March 1 – June 30, 2022 • 4:00 - 7:00 p.m.

Food and Transportation provided

WHERE?

Classes will be held at Waterbury's MASC,
Manufacturing Alliance Service Corporation
173 Interstate Lane, Waterbury
(203) 574-8285
